

R&D Snapshot

2010/11 Distinguished Visitor Awards

Investigator: Various

Purpose:

- Distinguished Visitor Awards assist producer groups with hosting local expert and highly regarded international guest speakers to present information and extend research outcomes.

Take home messages:

- APL funds up to five Distinguished Visitor Awards per year. While their immediate value is to the participants who hear visitors speak, learnings can be shared with the wider industry. Awards during 2010/11 included:
 - Dr Ross Cutler to Present on Exotic Disease Awareness and Biosecurity for Piggeries
 - Dr Greg Cronin to Present at AWSC Alternative Farrowing Systems Seminar
 - Dr Jose Piva to Visit Farms in NSW/SA/QLD & Present at CHM Alliance Conference
 - Dr Paul Hemsworth to Present at DAFWA/WAPPA Biogas & Sow Housing Field Day
 - Sow Housing Options for 2017 - Meeting the Challenge
 - Prof Sandra Edwards to Visit Australia & Dr Rebecca Morrison to Visit UK to Present on Options for Alternative Farrowing Accommodation
 - Dr Mariusz Skorupski to Address Tasmanian Pork Producers on Herd Recording & Farm Management Systems
 - Stephan Heubeck to Conduct Biogas Workshop in Brisbane.
